Dear John:

This letter is to give you more information regarding the panel in which you will participate on 9 October 1970.

Your three colleagues on the panel will be John Tobler, Justin O'Donnell, and Harris Peel, all from the National Interdepartmental Seminar. The panel chairman will be Ambassador Hermann Frederick Eilts, Diplomatic Adviser at the US Army War College. Ambassador Eilts has recently returned from Saudi Arabia where he had been US Ambassador since 1965.

We are conducting the panel the same as last year's. I have inclosed extracts of the study directive to students (Inclosure 1) to refresh your memory and assist you in planning your participation. You may wish to take special note of the question posed in paragraph 1d(1) on page 59. STATINTL

Inclosure 2 is our program of speakers for Course 2 of which the panel is a part.

A proposed schedule of your activities at Carlisle Barracks is provided (Inclosure 3). Our Visitors Bureau will be contacting you later to firm arrival and departure times in accordance with your personal desires.

Information is attached to refresh your memory concerning the audience, the question period, and the privileged status of your remarks (Inclosure 4).

Many members of the faculty remember you last year's appearance and look forward to your return visit. Do not hesitate to call at any time for additional information or assistance (717 - 245-4704 or Autovon 242-4704).

Sincerely,

*Bill*
